

Down by the river

**Down by the river,
You will find your peace,
Down by the river,
You will find your limits,
Down by the river,
You will find your strength,
Down by the river,
Jesus will come and hold (or take) your hands.**

1) There you will find the bridge of hope,
Oh Yes, Oh Yes,
And you will find a lot of love,
Oh Yes, Oh Yes,
If you will cross this bridge of hope,
You need to trust in him,
Oh Yes,
Because he crossed it long before,
To take away your sins. (Refrain)

2) Jesus will come and welcome you,
Oh Yes, Oh Yes,
And he will give you answers too,
Oh Yes, Oh Yes,
If you are faithful, follow him,
For the rest of you life,
Oh Yes,
Cause he will never let you down,
And you will be/feel alright) (or : Your life will be alright)

Bridge :

The water will clean up your soul,
And you can start again,
When Jesus lays (or put) his hands on you,
You will be born again (Refrain)
